

# European Summer School on Information Science 2018

**1-6 July, 2018 – Graz, Austria**

The European Summer School on Information Science (ESSIS) is an intensive one week teaching event for BA students who want to enrol in a MA program in information science. The lectures for core areas in LIS will enable students to close their knowledge gaps and to prepare better for MA programs. One week of ESSIS will bring you 2 ECTS. If you would like to continue to work with one of our teachers in order to improve your knowledge about the Information Science field after the ESSIS you can earn up to 3 more ECTS, depending on your activities.

**Program:** The courses of ESSIS will cover the four following areas:

- Advances in Information Science
- Research Methodology in Information Science
- Information Seeking and Retrieval
- Evaluation of Information Services

In the mornings, there will be interactive lectures and in the afternoons, students will work on group assignments. In addition, a social program will allow you to experience Graz and its surroundings.

## **Organization**

EINFOSE Project Group (funded by the EU under the Erasmus+ program) lead by Professor Christian Schloegl, University of Graz.

**Project EINFOSE: Information Science Education: Encouraging mobility and learning outcomes harmonization (Coordinator: Professor Tatjana Aparac Jelušić)**
