

## **EXERCISE – JOB AD'S ANALYSIS**

Please, read carefully the advertisements in the document entitled *AAIS\_LIS jobs list* to get an impression about what kind of jobs are offered in US.

Your task:

1. Find similar ads in your own country, chose five of them with different job title and analyze them from the following points of view:
  - Responsibilities
  - Duties
  - Competencies - required
  - Qualifications – preferred
  - Competencies - additional
  - Type of the organization offering the job
  - Additional data if any (and you consider these data as important ones for your assignment)
2. Single out the same/similar elements for each job offered
3. Draw your conclusions
4. Upload your conclusion in the foreseen space
